EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification:

In paragraph [0002], lines 2 and 3, "2001, which" and "1999, which" have been changed to "2001, now U.S. Patent No. 6,633,600, which" and "1999, now U.S. Patent No. 6,229,843, which", respectively.

In paragraph [00171], line 2, "1717" has been changed to "1710". ewc 3.8.07

In the Claims:

In line 10 of both claims 5 and 9, "acquired; and" has been changed to "acquired;".

2. The following is an examiner's statement of reasons for allowance: the prior art fails to show or suggest that a code detector or a method for detecting a code transmitted in a wireless format for the conditions if a test statistic does not exceed an acceptance threshold and the test statistic is not below a dismissal threshold, repeat at least the prior conditions until if the test statistic exceeds the acceptance threshold, the code is deemed acquired and if the test statistic is below the dismissal threshold, the code is deemed not present.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should
